Dear Jim:

I have considered John Bass's June 12, 1991 letter enclosing the Australian Examiner's latest official action in the above identified case. This action again relies on the Roselius et al. reference to object to some of the pending claims. Thus, I would like to get Harvey Grubbs' thoughts on the action. If you agree that this is appropriate, please arrange for a copy of the action to be sent to Mr. Grubbs.

Sincerely,

Ronald A. Krasnow
